

YOUR HEALTH IS IMPORTANT TO US

ALL SAFETY GUIDELINES ARE FOLLOWED BY WORK SAFE BC

All our employees, supervisors and managers are following all the guidelines to ensure customers safety

Take Out & Delivery

Our dining area is open and we still offer take out orders and delivery so you can get the food you love

Washing hands

All restaurant staff practice good hand hygiene by washing hands with soap and water

Checking temperature

We record temperature check once a day

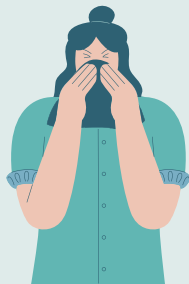

Self Quarantine

Self-quarantine is advised for employees who have been directly exposed to the new Corona virus or have history of travel in infected or heavily populated areas.

Watching for symptoms

We keep an eye on other symptoms. Aside from fever, Covid-19 symptoms include cough, difficulty breathing, and fatigue.

Protective equipment for staff

Face masks, face shields and gloves are available for restaurant staff, offering protection while ensuring that N95 respirators are reserved for health care workers.

Practicing social distancing.

We are maintaining at least 2 meters (6 feet) distance from others.
